**PRESENTATION**

Susie Austin, Committee Chair, discussed the presentation to the Human Services Board of the AODA Advisory Committee's Unmet needs. The needs identified this year were expansion of the Day Report Center to include refunding a frozen AODA position, funding for Suboxone medication management, also a request to increase the cost of living for half way houses and to continue support for existing programs at their current level of funding. The Human Services Board asked for specifics on money requested for the Unmet Needs. It was recommended that Susie talk to Mike DeMares to help get that information to the Board at their next meeting. The Human Services Board Public Hearing is April 22, 2010 at 7:00 p.m. at the Waukesha County Expo Center Arena.
